

Training courses for **educators**

A flexible, modular approach to learning for all educators!

Study the courses you want, when you want, with in person, online, or blended learning options available.

Choose from:

- ./ Supporting dyslexic learners (EYFS, Primary, Secondary / FE, HE)
- ./ Dyscalculia
- ./ Literacy skills: separate courses in reading, writing, and spelling
- ./ Screening (pre or post 16)
- ./ Dyslexia & dyspraxia
- ./ Dyslexia & dyscalculia
- ./ SASC accredited training for specialist teachers - see our website for details

Use your chosen courses to build up to an accredited award at Level 2, 3, 5 or 7.

Interested in whole school training or something more bespoke?

Promoting Awareness of Dyslexia

This programme is intended to provide a greater understanding of the problems that dyslexic learners face, and appropriate methods and resources to help support them within the context of their learning environment. There is a particular focus on the development of one area of literacy.

Accredited Level 2 - £745

Practical Solutions for Dyscalculia

This programme is intended to provide a greater understanding of the problems that dyscalculic learners face, and appropriate methods and resources to help support them within the context of their learning environment.

Accredited Level 3 - £1,115

Practical Solutions for Dyslexia Plus

This programme is intended to provide a greater understanding of the problems that dyslexic learners face, and appropriate methods and resources to help support them within the context of their learning environment.
